

MOPS is now registering for the 2018-2019 year!

MOPS stands for Mothers of Preschoolers, and by preschoolers we mean kiddos from birth through kindergarten. MOPS is a grassroots movement that believes moms are world influences. We also believe that incubating hearts and giving just-because hugs can change the course of history. That's why we connect moms all over the world to a community of women, in their own neighborhoods, who meet together to laugh, cry, and embrace the journey of motherhood. A MOPS group is an open, accepting place for all mothers to experience authentic community, personal growth, practical help, and spiritual hope.

MOM'S NIGHT OUT (MNO)

Sometimes mom just needs a girl's night out. We plan one every month!

Every year, MOPS comes up with a rallying cry – a concept that will guide our entire tribe of women for the year. This year, we are going to find our fire. We will find ways to live expectantly, surrender daringly, and breathe deeply.

Some women fear the fire, others tend their God-given fire and use it to light their hearts and the world. Let's be THOSE women.
