How to Enjoy Life

Week of March 29, 2020

“The God of Peace” part 2

Philippians 4:4-9

1. Read **Philippians 4:4-9** review the sermon. How did God speak to you through the sermon? What challenges did you take away from the sermon?
2. What does Paul mean when he instructs us to “be anxious for nothing”? Talk about what areas of life that you find yourself being anxious or worrying about most often. Review the aspects of prayer that were discussed last Sunday. How are we to pray in everything and for everything? What does it mean to pray prayers that honor God and to pray fervently?
3. How do we guard and direct our thoughts in the Lord? How will our praying help to direct our thinking? Go through the list that is given in verse 8. Does this list describe your thoughts? How can we allow these thoughts to control our behavior versus being controlled by fear, anxiety, or panic?
4. What does God promise to us in this passage? Describe what it means to live in peace with God? Can we have the peace of God without knowing and walking with the God of Peace? Talk with your family about what it means to know God and to experience His peace even during chaos and uncertainty. This may be a good time to identify and address fears, worries, and anxiety that those around you are experiencing but may have a difficult time verbalizing.

Share any insights from your S.O.A.P. Bible reading this week; discuss any challenges that people may be having. Encourage one another in the journey.

Prayer

Pray for one another to be at peace.

Pray that God will stir in us a desire to gather when the time comes.

Pray that God would manifest His presence, power, protection, and provision in your life during this season.

Who’s your one?

Pray that God would open and soften the heart of your **one** to the gospel.

Pray that God would give you the opportunity for gospel conversations with your **one**.
